CAREER SUMMARY

Project Management professional with 4+ years of experience managing cross-functional workflows, stakeholder communication, and administrative processes. Currently supporting the IS&T Communications Team at Apple, driven by a passion for delivering high-impact work through organized execution and team collaboration. Skilled in managing timelines, aligning stakeholders, and streamlining operations using project management tools.

AREAS OF EXPERTISE

Professional Skills: Agile/Scrum, Project Coordination, Events Operations, Timeline & Milestone Management, Stakeholder Communication, Cross-Functional Collaboration.

Technical Skills: Wrike, Quip, Box, Miro, Epic, Microsoft Office 365 (Outlook, Excel, PowerPoint, Word), Slack, Zoom.

Languages: Fluent in English and Spanish.

PROFESSIONAL EXPERIENCE

APPLE INC.

Sunnyvale, CA

Program Manager, IS&T Communications & Engagement Apprentice

Feb 2026 - Present

- Establish and manage IS&T Communications intake and project management workflows using Wrike, Quip, and Miro, standardizing how work is scoped, tracked, and delivered across the team.
- Applied project management practices to plan, monitor, and support the delivery of 5+ high-visibility communications reaching thousands of IS&T employees, proactively resolving blockers to maintain on-schedule delivery.
- Driving an AI-driven editing tool from planning through execution, refining functionality and running tests to improve internal communications processes aligned with Apple's quality standards.
- Partnered cross-functionally with engineers, product managers, and subject matter experts to drive communications tracks to completion, managing capacity planning and delivering stakeholder reporting across multiple concurrent initiatives.

STANFORD UNIVERSITY

Stanford, CA

Special Events Patrol Officer

Jul 2025 - Present

- Coordinate event operations for high-profile campus events with up to 50,000 attendees, managing logistics, crowd flow, and real-time problem-solving across multiple teams.
- Collaborate cross-functionally with event management, the Department of Public Safety, and Stanford Police to execute event plans, resolve on-site issues, and uphold safety protocols.

RAVENSWOOD FAMILY HEALTH NETWORK

East Palo Alto, CA

Patient Services Assistant

June 2021 - Aug. 2025

- Began as a Call Center Agent managing 80+ daily patient calls across multiple departments; promoted to Patient Services Assistant within 10 months for exceptional performance in patient-provider coordination.
- Managed 20+ daily check-ins, appointments, and enrollment processes across multiple workflows, ensuring accuracy, HIPAA compliance, and timely connection to essential healthcare programs and services.
- Partnered with clinical and administrative teams across 10+ departments to resolve inquiries, optimize scheduling, and improve operational efficiency.

EDUCATION & TRAINING

YEAR UP UNITED San Jose, CA

Certificate - Project Management Sept. 2025 - July 2026

- Year Up United is an intensive career development program focused on professional skills, technical training, and corporate internship experience.
- Completed coursework in Project Management, Project Scoping, Agile Methodology, Data Analysis, and Data Reporting (Tableau, Power BI, & Excel).

Professional Scrum Master I (PSM I) – Scrum.org, Dec. 2025
